Animalic

↳ Odor description

Created by Hubert Fraysse in 1926, this specialty starts with a fresh citrus top fused together with sophisticated leather. The floral and luminous heart gathers refined orris and violet notes with a spicy touch, rounded of by precious woods and musky tones.

% Suggested Usage

Up to 4%

+ Impact

It gives body and hold character to warm notes.

★ Great combinations

It blends well with rose, neroli, chypre, tobacco and oud notes.

♥ Why we love it

This leather note was inspired by Hubert FRAYSSE (HF) in 1926 during a training session to the Hermès workshops.
