### 👉 Odor description

An English Tobacco accord with powdery, spicy and floral tones.

### % Suggested Usage

up to 3%

### + Impact

Mostly used in fine fragrances like chypre, it gives a strong different background. It also gives structure to feminine and masculine fragrances.

### ★ Great combinations

It works well with ambery and all opulent fragrances and can support the background of floral fragrances like tuberose.

### ♥ Why we love it

It has a gingerbread side really interesting to work with.
