

# Tonkarome

Ref Synarome : 100442

## TECHNICAL DATA

**Appearance** : white to pale yellow solid  
**Flash point** : > 110°C

## SUBSTANTIVITY

**Tenacity on blotter** : 1 month

## STABILITY

**GOOD** ★★★

- Fine Fragrance
- Shampoo / Shower gel
- Cream
- Candle

**MODERATE** ★★★

- Detergent

## OLFACTIVE PROFILE

### ●● Olfactive family

Ambery

### ↷ Odor description

Tonkarome has an intense and powerful tonka bean, developing powdery and sweet notes of tobacco and almond.

### % Suggested Usage

Up to 3%

### + Impact

It gives a long lasting and natural coumarin aspect.

### ★ Great combinations

It blends very well in fougere accords. It also works with floral and woody notes.

### ♥ Why we love it

It can help to replace tonka bean absolute.
