Tenacity on blotter : > 2 weeks

Wet cotton : good

Dry cotton: moderate

STABILITY

GOOD ★★★

- Alcohol
- Incense

MODERATE ★★★

- Shampoo
- Soap

POOR ★★★

- Cream
- Antiperspirant

RENEWABLE CARBON

0% 20% 40% 60% 80% 100%

OLFACTIVE PROFILE

●● Olfactive family

Woody

↳ Odor description

Vetiver acetate supra is an elegant woody note. It brings a modern leathery and powdery accent, almost reminiscent of buckskin.

% Suggested Usage

Traces to 8%

+ Impact

It brings a fresh woody grapefruit note on top.

★ Great combinations

It blends well with citrus, chypre, woods and vetiverol to give a soft and elegant vetiver note from top to heart without the rooty aspect.

♥ Why we love it

Very fine and delicate, it can be used in fine fragrances, beauty and body care.
